The privacy of members is important to u3a. In order to run the organisation efficiently and in accordance with general data protection regulations (GDPR), your personal details are stored securely on a database. We use your details to communicate with you about matters relating to u3a and share them with the leaders of those groups of which you become a member. If you indicate that you wish to receive Third Age Matters we share your name and postal address with the company that oversees the distribution. It is your responsibility to notify the membership secretary of any change in your personal details or to amend them yourself by going to the Your Details button on the website and following the instructions.

Gift Aid

As a registered charity our subscriptions qualify for tax relief. As long as you pay an amount of income tax at least equal to the amount of tax that all the charities you donate to will reclaim in the appropriate tax year (currently 25p for each £1 you pay), we can make a tax relief claim. You may cancel your declaration at any time.
